---

Intellectual Reserve Inc. (“IRI”), the Corporation of the President of The Church of Jesus Christ of Latter-day Saints (“COP”), the Corporation of the Presiding Bishop of The Church of Jesus Christ of Latter-day Saints (“CPB”) and Eleutian Technology, LLC (“Eleutian”) provide the following joint status report in response to this Court’s April 15, 2009, Order.

### **STATUS REPORT**

The underlying litigation that was pending in the United States District Court for the District of Wyoming between the parties identified in the caption hereto was settled on or about February 3, 2009. Accordingly, on February 3, 2009, Federal District Court Judge Allan B. Johnson orally dismissed all claims asserted by the parties with prejudice. As a result of the settlement, COP’s motion to quash subpoena and CPB’s motion to quash subpoena, both pending in this Court, are moot.

The only remaining motion is IRI’s motion for specific performance of the IRI/Eleutian production agreement. In that motion, IRI seeks the return of documents, both in electronic and hard copy form that were identified as privileged in IRI’s privilege log. Brian J. Holiday,

counsel for Eleutian, has confirmed that all disks containing those privileged documents have been returned to IRI. At this time, IRI is awaiting confirmation from Eleutian that it has returned or destroyed all copies of those privileged documents, both in electronic and hard copy form, in its possession, custody or control. IRI's motion will be moot if Eleutian provides this confirmation.

DATED this 29th day of April, 2009.
